Anvisa ordered this Friday (23/2) to suspend the importation of lots of Casodex (bicalutamide) 50mg, coated tablet (bulk). The product is manufactured in Germany and imported into Brazil by Astrazeneca do Brasil Ltda.

The measure was adopted after an inspection of Good Manufacturing Practices made by Anvisa in the factory.

It was also determined the suspension of the distribution, sale and use of lot 45929, valid until February 2021. The company Astrazeneca do Brasil must collect all units of lot 45929 that are on the market.

The drug is used in prostate cancer treatments.
