MDR 11-08/16

Company name

Claris Lifesciences UK Ltd

Product description

Furosemide-Claris 20mg/2ml Injection Marketing Authorisation number AUST R 148003, intended for the Australian market.

Batch number/expiry

Batch no	Expiry date
B550131	April 2018

Brief description of the problem

Claris Lifesciences UK Ltd has informed us that, due to the possible mislabelling of shipping cartons at the manufacturing site, some packs of the above product may have inadvertently been distributed in the UK. Pharmacists and wholesalers are asked to check their stock of this product and notify Claris Lifesciences UK Ltd if any Australian packs from the above batch are identified.
