Pharmaceutical Formulations

At a glance....

This site is a modern integrated plant with state of the art facility to cater domestic and global requirements. The plant is ideal for high volume manufacturing of ORAL REHYDRATION SALTS and artificial sweeteners in various forms. The facility is operational since May 2013 for commercial production.

ORS SECTION (WHO GMP APPROVED)

In this section we are manufacturing ORS in various strengths like 4.2 g, 20.5 g, 20.8 g, 21g, 28 g, 28.5 g, 210 g etc. as per WHO formula. Development of ORS in various flavors like Orange, Lemon, etc. At present we are manufacturing leading ORS brands of Cipla, Adcock Ingram, Acme Pharma, and generics of various export and domestic tenders.

FOOD SECTION (ISO 22000 AND HACCP)

The plant has a separate block to manufacture food products mainly Artificial Sweeteners - Aspartame, Sucralose & Stevia in form of tablets and powders for international, domestic and institutional supplies for Merisant India Pvt Ltd, Zydus wellness Ltd, Cipla Ltd & Apollo Pharmacy.

Capacity:	ORS : 100 Million Sachet of 21 g per annum. 120 Million Sachet of smaller per annum.
	Food Block : Artificial Sweetener Tablets : 500 million per annum. Artificial Sweetener Sachet : 120 Million of smaller per annum.
Approval:	WHO GMP, ISO 22000 & HACPP

- **Manufacturing:** Dedicated granulation area is well equipped with modern machines – FBD, Octagonal Blender and Storage bins.
- **Process:** Fully automated process from manufacturing to packing.
- **Machineries:** Large capacity machinery for drying and granulation, 5000 litres blender for mixing and vacuum transfer system at every stage for the material transfer.
- **Packing:** 12 high speed sachet packing machine, which can pack 150 thousand units per Shift.

Optimized delivery of quality formulations is the core competency of the company. The ORS facility is customized to meet with the international standards and as such the company focuses to explore new business areas and intends to venture into global supply. The process of registration is ongoing for Ethiopia, CIS countries, Myanmar, Cambodia and Qatar.

Acme
DIET CARE PVT LTD

ORS Powder &
Artificial Sweetener

At a glance.....

The plant is commissioned in 2016 and is situated in the Plot No. 103,104,105-EPID Phase-1, Jharmajri Baddi, Himachal Pradesh, India. This site is one of the leading contract manufacturing facility in the Pharmaceutical Industry serving both national and multinational clients.

Facility to Manufacture:	General category Tablets & Powders (Human, Veterinary & Food)
Capacity:	1500 Million Tablets per annum. 15 Million Sachets per annum.

- **Manufacturing** : Dedicated 3 granulation areas, well equipped with modern machines. RMG / FBD / sifter / multimills / Octagonal Blenders of varied capacities.
- **Tableting** : Six modern high speed tablet compression machine which can produce more than 4 million tablets in a normal shift .
- **Coating** : Three auto coaters for film coating & sugar coating.
- **Packing** : Six blister packing machines, Two multi track strip packing, one Alu/Alu machine, auto cartonator and two augur based sachet packing machines.

- **HUMAN DRUG** : Various general category non betalactam tablets and powders.
- **FOOD** : Various nutraceuticals, dietary supplements, artificial and natural sweeteners
- **VETERINARY** : The site also boasts of a dedicated veterinary manufacturing facility where it manufactures boluses and powders.

- **Client list** : Cadila Healthcare Ltd. and its divisions : German Remedies Ltd., Liva Healthcare, Zydus Biogen, Zydus Uroscience, Zydus Nutriva & Zydus AHL. Other clients include Cipla Ltd., Micro Labs Ltd, Alembic Ltd, TTK Healthcare Ltd, Wallace Pharmaceuticals Ltd., Cosme Farma Ltd., Adcock Ingram, J B Chemicals, IPCA Laboratoies Ltd., Gufic Biosciences Ltd. & Intas Pharmaceuticals Ltd.
