

BACHEM

COMMERCIAL PEPTIDE NCE

Leading Partner in Tides

QUALITY, CAPACITY & INNOVATION

Benefit from innovation, expertise and cutting-edge equipment that fits your needs from small to large-scale and from a GMP environment to develop and commercialize your peptide API therapeutic!

Over 50 years of expertise with a track record of

- **Producing the highest number of marketed peptides**
- **170 active projects with New Chemical Entities (NCE)**

We've been able to be quite successful so far and make less mistakes because we work with partners like Bachem."

Chief Executive of Yuyu Pharma

LET'S TALK ABOUT YOUR PROJECT

With our operational excellence and customer-centric approach, we offer a clear Chemistry, Manufacturing and Control (CMC) plan for your project

- From process to large-scale production
- Linear solid-phase, liquid-phase and fragment-based synthesis
- Stability studies and analytical methods for characterization
- Regulatory support for IND, NDA and other filings
- Experienced and dedicated Project Management and Business Development team

Benefit from our technological leadership and innovation for higher quality, capacity and sustainability

Unique upstream processes (Molecular Hiving™ & CEPS*)

Large capacity for lyophilization with our optimized trays

Continuous chromatography for more sustainable and larger purification

Green Chemistry toolbox for peptide synthesis

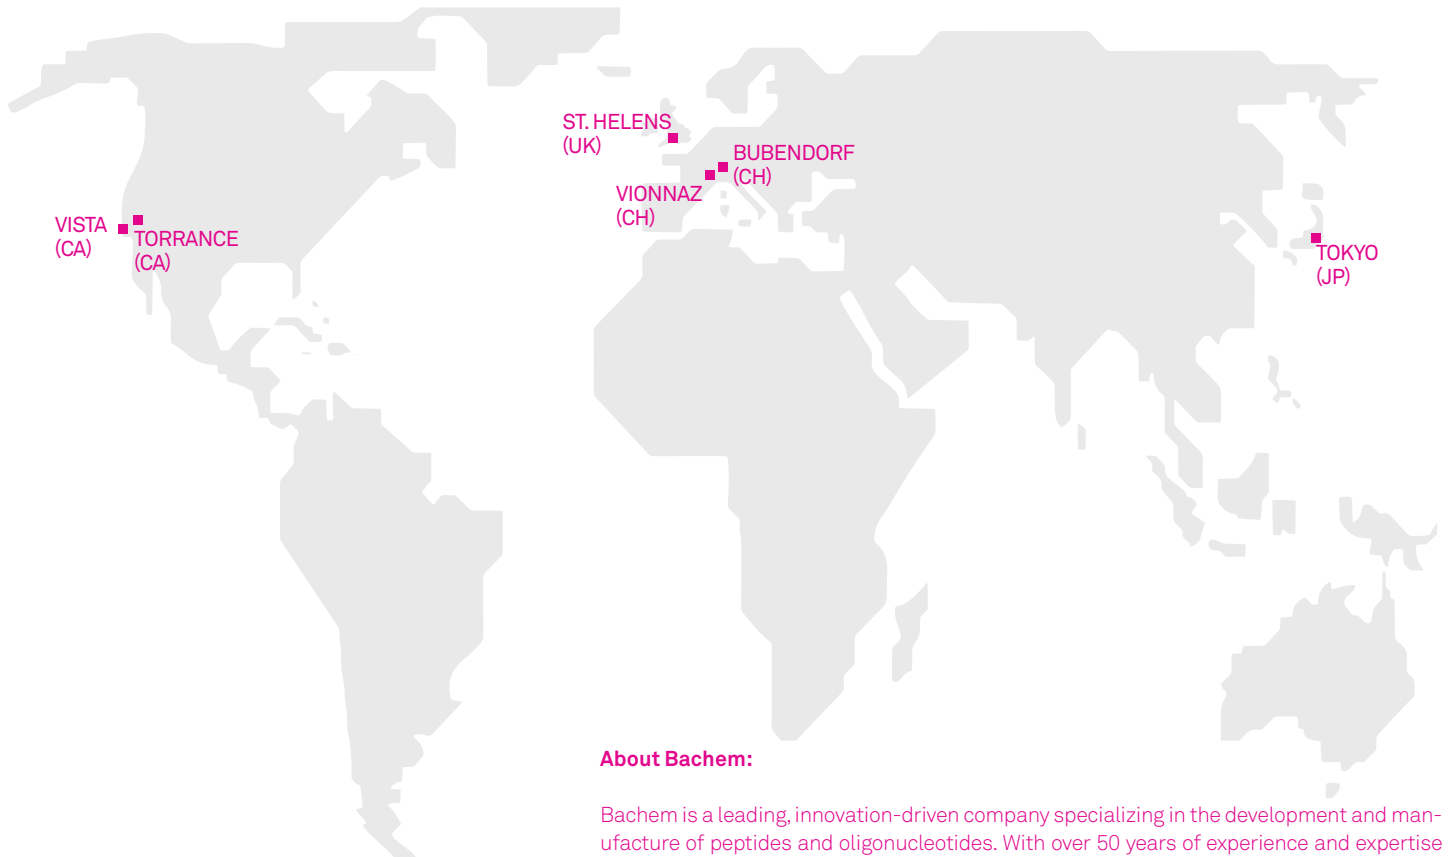

*Chemo Enzymatic Peptide Synthesis

BACHEM

GLOBAL BUSINESS

Bachem facilities are located in Switzerland, the UK, and in the USA. All cGMP manufacturing sites are inspected by the US-FDA and national authorities.

About Bachem:

Bachem is a leading, innovation-driven company specializing in the development and manufacture of peptides and oligonucleotides. With over 50 years of experience and expertise Bachem provides products for research, clinical development and commercial application to pharmaceutical and biotechnology companies worldwide and offers a comprehensive range of services. Bachem operates internationally with headquarters in Switzerland and locations in Europe, the US and Asia. The company is listed on the SIX Swiss Exchange. For further information, see www.bachem.com.
