

Acquisition of Astral SteriTech by Centrient Pharmaceuticals

Expansion of Centrient's finished dosage form portfolio with sterile injectable antibiotics

About Astral SteriTech

-  Astral SteriTech Private Limited is a specialised sterile injectables manufacturer with expertise in beta-lactam antibiotics
-  Located in Gujarat state on the Western coast of India
-  US FDA-approved manufacturing site with two segregated blocks for SSPs and SSCs
-  Strong in-house regulatory capabilities with 80+ dossiers developed and six owned proprietary US ANDAs
-  Customers located in the US and other regions such as South Asia; long-term partner for several blue-chip pharma companies

Why Centrient acquired Astral SteriTech

1. With its own manufacturing capabilities Astral SteriTech brings a strong contribution to Centrient's FDF franchise
2. Astral SteriTech's products are closely related to Centrient's core portfolio and provide a diversification opportunity within the attractive growing niche segment of sterile injectable antibiotics
3. Thanks to its global presence, Centrient will support Astral SteriTech's geographical expansion agenda

Further strengthening Centrient Pharmaceuticals' position as the global business-to-business market leader in beta-lactam antibiotics
