

G.L. Pharma was formed out of a merger of the two pharmaceutical companies Gerot and Lannacher and is looking back at a history of more than 70 years.

We develop, produce and allocate unique brand name products as well as generics for the well-being of people in Austria and abroad. As a supplier to Austria's healthcare sector, we partner with general practitioners, pharmacists, their patients and pharmaceutical wholesalers.

As an international player, we market our products through our licensees and branch offices to more than 50 countries. Our core competence concentrates on three different business areas:

- Cardiovascular system
- Central nervous system
- Urology, oncology, opioid substitution therapy

Management

We are a private pharmaceutical company offering a product mix of innovative drugs and branded generic drugs.

At G.L. Pharma we produce first-class-quality drugs in compliance with EU and GMP standards at our state-of-the-art production sites in Lannach/Graz and Vienna.

Production Sites

In Lannach/Graz, we use pharmaceutical technologies such as wet granulation, fluid-bed drying and film-coating to manufacture solid dosage forms.

In Vienna we manufacture semi-solid and sterile as well as oral liquid dosage forms.
