

**Gokulendu Life Science** offers broad portfolio of Active Pharmaceutical Ingredients (API). We began producing Active Pharmaceutical Ingredients (APIs) in 2020 as a vital input to the manufacture of Generic Formulations and Medicine. All our list of APIs is expected to customers in Domestic and Export Market.

**Gokulendu**  
LIFE SCIENCE

### **API MANUFACTURING**

We offer Bulk Drug with therapeutic categories ranging below

- Antacids
- Antifungal
- Antiviral

### **INTERMEDIATE MANUFACTURING**

We offer various intermediates to support generic Bulk Drug Industry

### **CONTRACT MANUFACTURING**

We can produce API / Intermediates right from Pilot Plant, Scale-up and Commercial scale with Technology Transfer.

### **Contact Us**

**Gokulendu Life Science : Plot No: 1014, G.I.D.C. Sarigam, Umbergaon, Valsad-396155,Gujarat, India**

# QUALITY

We are continuously monitoring our production system as per cGMP norms to meet consistent product quality

# HEALTH

We always keep in our mind the patient and health in our every action

# INNOVATION

Our key focus is to adopt innovative ideas and develop environment friendly economic synthetic process of manufacturing

LIFE SCIENCE

Equipments	Capacity	Nos. & Location
SS Reactor (19 KL Total)	3 KL	2 Synthesis area
	3 KL	1 No. Clean Room
	5 KL	2 Synthesis Area
Glass Reactor (11 KL Total)	5 KL	1 No. Synthesis Area
	3 KL	1 No. Synthesis Area
	3 KL	1 No. Clean Room
Hydrogenator Reactor	3 KL	1 No. Synthesis area
VTD	48 Tray	1 No. Synthesis area
	48 Tray	1 No. Clean Room
RCVD	500 Kg	1 No. Clean Room
Centrifuge	-	3 Nos. (48", 36", 36")
Sparkler Filter	-	3 Nos., 8 Plate, 11 Plate and 15 Plate
Sifter	-	2 Nos. (48"/24") Clean Room
Multimill	-	1 No. Clean Room
Pilot plant and R&D	Upto 200 L	1 Glass Assembly, 18" CF and Tray Dryer

Utilities	Capacity	Nos.
Cooling Tower	200 and 250 TR	2
Chilling plant	52 Tr (-10 °C)	1
Purified water system	1 KL per hour	1
Boiler	850 KG	1
Vacuum System	-740 mm HG	1
AHU	ISO Class 8	3
Compressed Air	-	1
Scrubber	-	1
DG Generator	125 KVA	1
ETP	25 KLD	1
QC Instruments	Make	Nos.
HPLC	Water	1
GC	Shimadzu	1
UV Spectrophotometer	Shimadzu	1
Karl Fisher	Veego	1
Stability Chamber	Labtop	3
Muffle Furnace		1
pH Meter	Toshniwal	1
Micro Balance	Mettler Toledo	1
Semi Micro Balance	Mettler Toledo	1

# PRODUCT PORTFOLIO

**Gokulendu**  
LIFE SCIENCE

## Commercial

Pantoprazole Sodium IP

Pantoprazole Sodium  
Sesquihydrate USP

Modafinil USP

Omeprazole IP

Pregabalin IP

Levosulpiride IH

## Under Development

Rosuvastatin

Montelukast

Fluconazole

Itraconazole

Pregabalin

Aripiprazole

Trazodone

Vildagliptin

Teneligliptin

## Future Project

Lansoprazole

Rabeprazole

Minoxidil

Brexipiprazole

Avanafil

Dabigatran

Ondansetron

Phenylephrine HCl

Sildenafil
