2005	Establishment of cosmetics line	2014	Opening the biggest cineplex in MENA
2007	Incorporation of first overseas Mfg. Co, starting powder production line in Iran	2018	Becoming the busiest cinema complex, opening 1000 th supermarket

# GPI

## Golrang Pharmaceutical Investment Company

Established in 2010, GPI (Golrang Pharmaceutical Investment Co.) is one of the 65 owned companies by GIG. We are one of the leading and fastest growing Pharmaceutical companies within MENA region for handling, manufacturing, distribution and export of medicinal APIs and FDFs. Owing GMP licensed manufacturing facilities, we believe that we can support our clients with their strategic focus of improved efficiency through low cost and high quality products.

### Our advantages

- Strengthened and effective finished dosage formulations in segment of Painkillers and Opioid addiction treatment
- Local innovator of In-situ Forming (DDS) for Triptorelin Acetate and Leuprorelin Acetate as Oncology products
- Supplying quality Narcotic APIs with complying to latest standards and competitive prices
- Manufacturing Dietary and Nutritional products under license of well-known global company

### Affiliated Companies
