

HONCH PHARMACEUTICAL

HUBEI HONCH PHARMACEUTICAL CO., LTD
湖北宏中药业股份有限公司

COMPANY INTRODUCTION

Honch Pharmaceutical is specialized in producing anti-tumor and veterinary APIs. Established in 2007, HONCH locates in Qichun County which is the capital of the Traditional Chinese Medicine. As a government authorized and public listed high-tech local enterprise, HONCH is growing up fast with strong international competition capacity. We are CFDA & FDA approved API manufacturer, obtained GMP/DMF/VMF/CEP/FMC, registered in Australia / India / Russia, etc. Our products are exported to more than 23 countries and regions globally, mainly in U.S. and Europe.

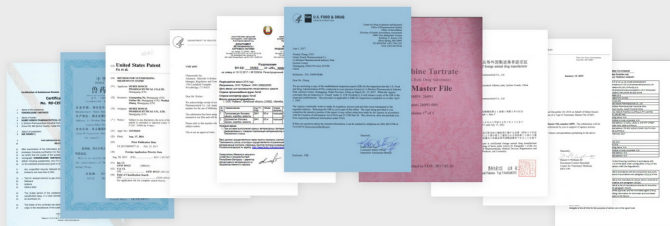

We firmly believe that the HONCH Pharmaceutical and its entire staff are one community with the same future. Insisting the "people oriented" concept, we not only keep cooperating with universities and

institutes to optimize our products, but also provide a fair enough platform for the employees to show off their ability and create valuable achievements.

All the HONCH staff will pursue the beautiful and happy life through our career by providing good products and best service to all customers. Being more positive, professional, persistent and progressive continuously, HONCH will be your top quality and value-added partner once you choose us.
