

ABOUT US

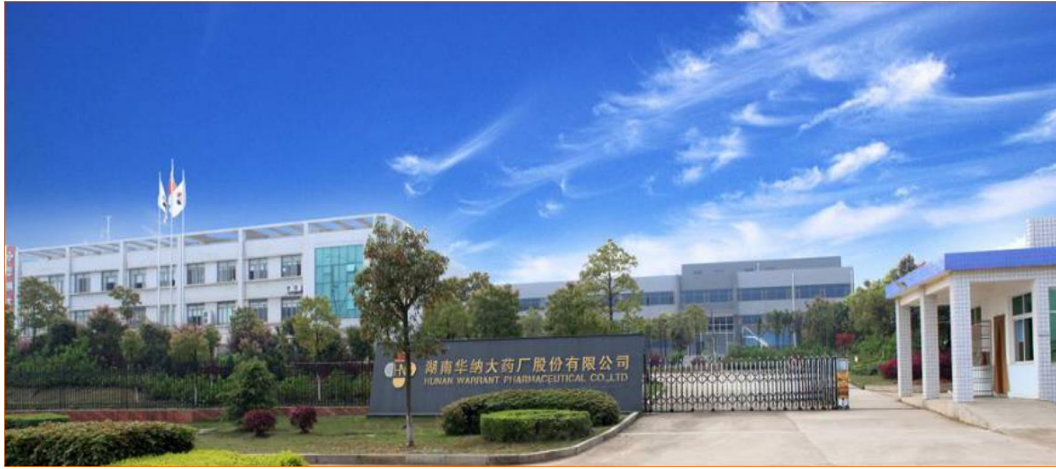

Hunan Warrant Pharmaceutical Co., Ltd. is a high-tech joint-stock company founded in 2001. With 3 production bases and 2 R&D center, which is engaged in manufacture and supply of APIs and Intermediates, Solid Dosage Formulations, Herbal Extracts, most of the APIs and all formulation production lines are new GMP certified.

Hunan Warrant Chiral Pharmaceutical Co., Ltd. belongs to Hunan Warrant Pharmaceutical Co., Ltd. and occupies more than 70 000 square meters, located in Tongguan Circular Economy Industrial Park in Wangcheng District Changsha. It is a CFDA approved pharmaceutical company, focusing on the APIs & advanced intermediates manufacturing in China. We get standard GMP-approved plants and sufficient capacity for the intermediates production.

We have professional and experienced high-lever R&D center, which is Hunan Chiral Pharmaceutical Engineering Research Center, occupied more than 3000 square meters. It is constituted by post-PhD, doctors and masters over 10 years R&D and CRO&CMO experiences. We can run lab trial, pilot, scaling-up and commercial production, from gram to ton lot.

With the mission of “Technique Services Health”, founded on the concept of “Do best, Creditability First”, Hunan Warrant Pharmaceutical Co., Ltd. is dedicated to be “the trustable healthy product supplier” based on the out-standing R&D, quality-assurance and service-support.

Production Facility I (GMP Certified)

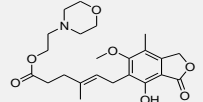

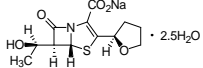

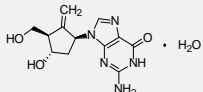

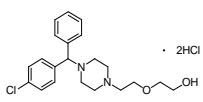

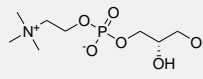

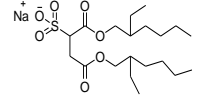

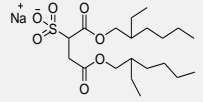

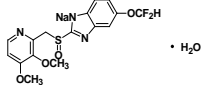

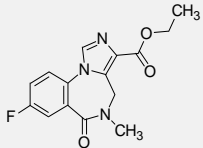

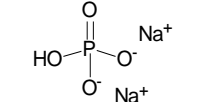

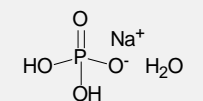

Production Facility II (GMP Certified)

Production Facility III (GMP Certified)

Hunan Warrant Pharmaceutical co., Ltd Commercial Products

序号 S/N	产品名称 Product Name	CAS Number	结构式 Structure	规格 Specification	文件 Documentation	认证 Certification
1	磷霉素氨丁三醇 Fosfomycin Trometamol	78964-85-9		CP/EP/USP	DMF available	GMP
2	吗替麦考酚酯 Mycophenolate Mofetil	115007-34-6 128791-94-5		CP/EP/USP	TPF	GMP
3	法罗培南钠 Faropenem Sodium	122547-49-3 anhydride		CP/JP	DMF Processing	GMP
4	恩替卡韦 Entecavir	209216-23-9		In-house/EP	DMF Processing	GMP
5	盐酸羟嗪 Hydroxyzine dihydrochloride	2192-20-3		In-house/ USP	DMF Processing	/
6	甘磷酸胆碱 Choline Alfoscerate(GPC)	28319-77-9		KP	DMF available	/
7	多库酯钠 Docusate sodium	577-11-7		In-house	DMF Processing	GMP
8	多库酯钠混合物 Docusate sodium 85% with Sodium benzoate 15%	577-11-7		In-house	DMF Processing	/
9	泮托拉唑钠一倍水合物 Pantoprazole Sodium	699002-47-6		CP	DMF Processing	GMP
10	氟马西尼 Flumazenil	78755-81-4		CP/EP/USP	DMF Processing	GMP
11	磷酸氢二钠 Dibasic Sodium Phosphate	7558-79-4		In-house/ EP	DMF Processing	GMP
12	磷酸二氢钠 Sodium Dihydrogen Phosphate	10049-21-5		CP/USP	DMF Processing	GMP

* Products under patent are not offered for sales until patent expiration in the relevant country.
