

G GDUFA   E Existing   P Pending   T To be filed

**A**

- Alendronate Sodium: E, E, E, G
- Allopurinol: T, E, E, E, G
- Amlodipine Besilate: E, E, G
- Amodiaquine Base: E, E, G
- Amodiaquine HCl: E, E
- Arteether: E, E
- Artemether: E, E
- Artesunate: E, E
- Artesunate Sterile: E
- Atenolol: E, E, E, E, E, G

**B**

- Bendroflumethiazide: E, E
- Benzbromarone: T, E
- Bisoprolol Fumarate: P, E, T, E, E, E, G

**C**

- Carvedilol: E, E, E, E, G
- Cetirizine HCl: E, T, E, E, E, G
- Chloroquine Phosphate: E, E, E, G
- Chlorthalidone: E, E, E, G
- Cilostazole: E
- Citalopram: E, E
- Clopidogrel Bisulphate (Form 1): E, E

**E**

- Etodolac: E, E, G

**F**

- Famotidine: T, E, E, E, T
- Fluconazole: E, E
- Flumequine: E, E
- Furosemide: E, E, E, E, G

**G**

- Glimepiride: E, E, E, E, G

**H**

- Hydrochlorothiazide: E, E, E, E, G
- Hydroxychloroquine Sulphate: P, E, E, G
- Hydroxyzine HCl: E, E, G

**I**

- Indapamide: E, E, E, E, G

**L**

- Lamotrigine: T, T, T
- Levofloxacin: T, T, T
- Losartan Potassium: E, E, E, E
- Lumefantrine: E

**M**

- Mesalamine: E, E, E, G
- Metformin HCl: T, P, E, E, E, G
- Methylphenidate HCl: E, E, E
- Metoclopramide HCl: E, E, E, G
- Metoprolol Succinate: E, E, E, G
- Metoprolol Tartrate: T, E, E, E, G
- Midodrine HCl: T, T, G

**KOREA DMF**
**RUSSIA**
**CHINA SFDA**
**COMMERCIAL**

**N** Nifedipine

**O** Ondansetron Base  
Ondansetron HCl

**P** Paroxetine HCl Hemihydrate   
Phenylephrine\*   
Piperazine Phosphate   
Primaquine Phosphate   
Propranolol HCl   
Pyrantel Pamoate   
Pyrimethamine

**Q** Quetiapine Hemifumarate

**S** Silodosin   
Serratiopeptidase\*   
Simvastatin\*   
Sumatriptan

**T** Telmisartan   
Torsemide

**V** Valsartan   
Venlafaxine HCl

**W** Warfarin Sodium   
Warfarin Sodium Clathrate

\* Krebs Biochemical & Industries Limited, an associate company

**HORMONE VENTURE**

Ipca has added another feather in its cap by starting a dedicated Hormone Facility at Nandesari, India. It is fully integrated to manufacture both **Male and Female Hormone APIs** with a state-of-the-art manufacturing facilities, integrated with features such as glove box and isolated handling of high potent API, high-end analytical equipment, segregated blocks for male and female hormones and many others.

**MALE HORMONE**

**N** Nandrolone Phenylpropionate

**T** Testosterone  
Testosterone Cypionate  
Testosterone Decanoate  
Testosterone Isocaproate  
Testosterone Propionate  
Testosterone Phenylpropionate  
Testosterone Undecanoate

**FEMALE HORMONE**

**E** Estradiol  
Estradiol Valerate

**N** Norethisterone  
Norethisterone Acetate

**T** Tibolone

**Disclaimer:**

Ipca honours Intellectual Property Rights and takes all reasonable and necessary steps to ensure that the products manufactured / offered for sale are for post product's patent expiry period through non-infringing processes. However, prospective customers / importers should verify patent infringement status before procuring / importing the products offered by Ipca for sale in any country.
