

LOTUS PHARMACEUTICAL
INDUSTRIES

Company Profile

COMPANY PROFILE

Management Message

Lotus Pharmaceutical Industries is an Egyptian company founded in 2014 by a group of shareholders who have long and multiple experience in the field of pharmaceutical industries business.

They had various management positions with Multinational pharmaceutical companies and concentrated this vast experience in Management, Manufacturing, Marketing, Distribution and Sales.

We really like to express our sincere appreciation for all of the supports and patronage extended to us by our customers and business partners which have enabled us to come thus far, as well as tremendous efforts made by forerunners who built and led this company.

MISSION STATEMENT

VALUES

5. "PARTNERSHIP" Spirit

Lotus Pharmaceutical extends its "ONE TEAM" spirit beyond Lotus to other healthcare companies and medical professionals and seeks to strive to jointly achieve common goals as members of the "ONE TEAM" aiming to make contributions to the society through promotion of "generic pharmaceuticals" in Egypt.

In order to effectively carry out the above, we believe it is critical to continue with our efforts to further improve our profitability and increase our overall strength as a company. We have thus set a clear performance goal of 150 Million Egyptian Pound in annual sales, which we shall aim to achieve by fiscal year 2015 - 2016.
