NATURAL  
ANTACID

## AGAINST ACIDITY AND HEARTBURN

**Nodacil gel** is a combination of:

- ✓ magnesium and calcium salts
- ✓ alginates (sodium alginate) and
- ✓ soluble fibres (pectin and xanthan gum)

all of which help to  
neutralise stomach acid.

NODACIL GEL

# How does **NODACIL GEL** work ?

INGREDIENT	ACTION
*Salts: - Magnesium: Magnesium carbonate and magnesium trisilicate - Calcium: Calcium carbonate	- Neutralise hydrochloric acid - Inactivate pepsin ↓ Reduce acid overload = Antacid effect
*Alginate: Sodium alginate *Soluble fibres: - Pectins - Xanthan gum	- Absorb part of the hydrochloric acid - Coat the gastric wall - Delay gastric emptying ↓ *Protective effect on the gastric mucosa *Increase the action time of acid-neutralising salts *Prevent the acid rebound effect

**NODACIL GEL**

# THE HIGHLIGHTS OF NODACIL GEL

1

PRESENTATION IN  
GEL FORM

*Easier  
administration*

*More effective  
as it has a  
greater contact  
surface with the  
gastric mucosa*

**Directions:**  
Take one sachet within  
30-60 mins after main  
meals.

*Fresh and  
pleasant flavour*

## NODACIL GEL

# THE HIGHLIGHTS OF NODACIL GEL

2

**NODACIL gel contains no aluminium salts!**

Several studies conducted in recent years have shown that aluminium can cause side effects in plants, aquatic animals and humans.

3

Neutralises excess acid in the stomach, promoting physiological digestion and preventing heartburn and....

**Prevents the acid rebound effect**

NODACIL GEL

# Colestia

**WHEN IT COMES TO  
 CHOLESTEROL,  
 THINK WITH YOUR HEART**

Only  
**1**  
 capsule  
 a day

Provides 10 mg of monacolin K and is taken at night

Contains red yeast with 3% monacolin K

Citrinin-free yeast

**COLESTIA**

## ¿WHY IS COLESTIA SO **BENEFICIAL**?

**A**

**One capsule a day at night with dinner or at bedtime.**

**Why?**

- 1.- Because just one capsule provides the 10 mg of monacolin K that is necessary to reduce cholesterol.
- 2.- Because it is at night that most cholesterol synthesis occurs in the liver.

**B**

**Synergistic action of the ingredients**

• Red yeast rice  
• Policosanol  
• Dry artichoke extract

*Reduce cholesterol and triglycerides*

**+**

• Coenzyme Q 10

1. *Protects against oxidation >>Protects against atheromatous plaque formation*
2. *The supply of coenzyme Q10 is increased as its concentration in the cells decreases when red yeast rice is taken.*

**C**

**Citrinin-free.** Colestia contains citrinin-free red yeast rice. Citrinin is a mycotoxin that can cause health problems in certain doses.

## INDICATIONS:

- 1 **Hypercholesterolemia** (high levels of cholesterol in the blood).
- 2 **Mixed hyperlipidemia** (high levels of cholesterol and triglycerides in the blood)

### Directions:

Take one capsule in the evening with dinner or at bedtime, with water or fruit juice (except grapefruit juice).  
Recommended daily consumption: 1 capsule.

### Packaging Details:
