

彭州市茂源生物科技有限公司
PENGZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD

Pengzhou Maoyuan Biochemical Technology Co.,Ltd

Stay Natural, Stay Healthy.

Overview

彭州市茂源生物科技有限公司
PENGZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD

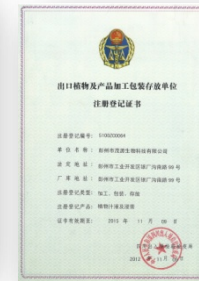

Maoyuan Biochemical starts plant extracting in 2000.

Covers land of 20 acres with about 1000.00 square meters for manufacturing and a four-floor building for R&D, testing and office works.

Located in Pengzhou Industrial Development Zone, surrounded by natural plants and herbs for this industry.

Quality uppermost, Customer first, Credit Premier, Non-stop innovation.

Present Achievement

➤ Single impurity <0.1%:

- Camptothecin
- 7-ethyl-10-hydroxy-comptothecin(SN-38)
- 10-hydroxycomptothecin
- 7-ethyl-camptothecin

- Andrographis extract (mother liquid)in 80 mesh powder.

Product under development

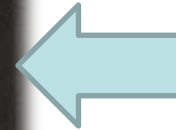

- Ginkgo Bioloba extract
- Venenum Bufonis

Grinding of materials

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD.

Make sure all the raw materials becomes smaller than 10 mesh

Extracting

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD

- 15times solvents-Methanol
- Time managing
- Pressure controlling
- Temperature managing

Isolation (purification)

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD.

- Sorting the molecules
- Removing undesirable molecules and concentrates the active content.

Drying

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD

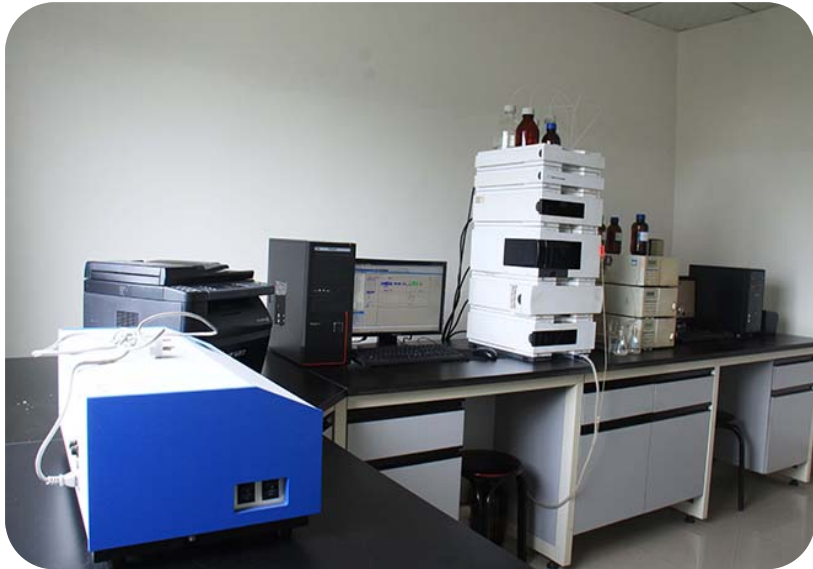

- Drying concentrates active compounds by removing most of the moisture.
- Reducing the weight of ingredient.
- Preserving the original properties
- Smashing: 80mesh

Testing & Warehouse

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD.

➤ All the products must past testing with respectively standards.

➤ Heavy metals testing

➤ Bulk Density approving

➤ Rotation testing

➤ Water content controlling

Product List

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD.

➤ Camptothecin series

- Camptothecin
- 7-ethylcamptothecin
- 10-hydroxycamptothecin
- 7-ethyl-10-hydroxycamptothecin(SN-38)

➤ Key Extracts

- Andrographolide 98%, 99%
- Andrographis Extract
- Bergenin
- Artemisinin
- Rutin
- Troxerutin

After-sales service

彭州市茂源生物科技有限公司
PENZHOU MAOYUAN BIOCHEMICAL TECHNOLOGY CO., LTD

Perfective tracking system set up and applies from the raw material to the product shipment and customers.

Fast responding after-sales service system has introduced in Maoyuan since its starting of operation.
