### Claris Lifesciences receives MHRA approval for New Plant

Ahmedabad, India, August 20<sup>th</sup>, 2014: Claris Lifesciences Limited (Company) has today announced it has received the MHRA approval for its newly commissioned plant (Plant 2). This will help in enhancing capacities to grow in the regulated markets, especially the European Union. The Company's specialty injectables business saw a growth of 30% in the last quarter.

As on 30<sup>th</sup> June 2014, the company had approvals of 13 ANDAs in US, 14 molecules in the Europe and 11 molecules in Other Regulated Markets (ORM), additionally, there are 28 ANDAs in the US, 8 molecules in Europe and 10 molecules in ORM, which are filed and awaiting approval. The company is currently functioning at high
