Our offer includes many substances used in the production of dietary supplements, food and cosmetics. These include: vitamins, amino acids, mineral salts and raw materials of marine origin.

If you have not found the raw material you are looking for among the presented list of products, please send us an inquiry!

POLISH NAME	ENGLISH NAME
Alpha lipoic acid	Alpha lipoic acid
Beta-glucan 1,3-1,6	Beta-glucan 1,3-1,6
Beta-glucan Yestimun™	Beta-glucan Yestimun™
Chitozan	Chitosan
Choline (chloride, hydrogen tartrate)	Choline (chloride, bitartrate)
Chondroitin sulfate	Chondroitin sulfate
Shark cartilage powder	Shark cartilage powder
Beef colostrum	Colostrum bovine
Zinc methionine	Zinc methionine
Selenium yeast (0.1%, 0.2%)	Selenium yeast (0.1%, 0.2%)
Glucosamine (HCl, 2KCl sulfate)	Glucosamine (HCl, sulfate 2KCl )
Hyaluronic acid	Hyaluronic acid
Koenzym Q10	Coenzyme Q10
Collagen (fish, beef, pork)	Collagen (fish, bovine, pork)
Laktoferyna	Lactoferrin
Magnesium citrate	Magnesium citrate
Melatonin	Melatonin
Metylosulfonylometan MSM	Methylsulfonylmethane MSM
Oyster shell powder (calcium carbonate)	Oyster shell powder (calcium carbonate)
Green-lipped mussel powder	Green lipped mussel powder
Calcium citrate	Calcium citrate
Vitamin B12	Vitamin B12
Vitamin D3	Vitamin D3
Vitamin K2	Vitamin K2

	PART OF A PLANT	ENGLISH NAME	LATIN NAME	THE ACTIVE SUBSTANCE
 Acai dry extract	fruit	Acai powder extract	Euterpe oleracea	
 Acerola powder	fruit	Acerola powder	Malpighia glabra L.	Vitamin C 17%, 25%, 40%
 Tagetes dry extract	flower	Tagetes powder extract	Tagetes L.	Lutein 5-20%; Lutein/Zeaxanthin 10%/1%, 20%/4%
Aloe vera dry extract	aboveground part	Aloe vera powder extract	Aloe L.	200:1
Andrographis paniculata dry extract	herb	Andrographis powder extract	Andrographis paniculata	Andrographolides 10%, 50%, 98%
Ashwagandha dry extract	root	Ashwagandha powder extract	Withania somnifera L.	Withanolides 2.5%
Bacopa small-leaf dry extract	leaf/aerial part	Bacopa monnieri powder extract	Bacopa monnieri	Bacosides 10-50%
Bamboo dry extract	leaf	Bamboo powder extract	Bamboo vulgaris	Silica 70%
 Elderberry dry extract	flower/fruit	Elderberry powder extract	Sambucus nigra	Anthocyanidin 13%
Bilberry dry extract	fruit	Bilberry powder extract	Vaccinium myrtillus L.	Anthocyanidins 25%
Boswellia serrata dry extract	resin	Boswellia serrata powder extract	Boswellia serrata	Boswellic acids 60-70%
Beetroot dry extract	root	Beet root powder extract	Beta vulgaris L.	
Tribulus terrestris dry extract	fruit	Tribulus terrestris powder extract	Tribulus terrestris L.	Saponins 20%, 40%, 60%, 90%
Chlorella powder	whole plant	Chlorella powder	Chlorella pyrenoidosa	
 Common hops dry extract	flower	Hop powder extract	Humulus lupulus L.	Xanthohumol 1.8%; Flavones 4%
Cinnamon tree dry extract	bark	Cinnamon powder extract	Cinnamomum zeylanicum Blume	
Chinese Schisandra	fruit	Schisandra powder extract	Schisandra chinensis	
Black pepper dry extract	fruit	Black pepper powder extract	Piper nigrum L.	Piperine 95%

	Dry garlic extract	onion	Garlic powder extract	Alliumsativum L.	Allicin 1.5%, 2%; Alliin 1.5%, 2%
	Devil's claw dry extract	root	Devil's claw powder extract	Harpagophytum Procumbens L.	Harpagoside 2.5%, 5%
	St. John's wort dry extract	aboveground part	St. John's wort powder extract	Hypericum perforatum L.	Total Hypericins 0.3%
	Garcinia cambogia dry extract	fruit	Garcinia cambogia powder extract	Garcinia L.	Hydroxycitric acid 50%, 60%
	Pomegranate dry extract	fruit	Pomegranate powder extract	Punica granatum L.	Ellagic acid 10-70%; Polyphenols 10-50%
	Graviola dry extract	fruit	Graviola powder extract	Annona muricata L.	
	Griffonia simplicifolia dry extract	seeds	Griffonia simplicifolia powder extract	Griffonia simplicifolia	5-HTTP 98%
	Guarana dry extract	fruit	Guarana powder extract	Paullinia cupana kunth	Caffeine 10%, 22%
	Gymnema sylvestre dry extract	leaf	Gymnema sylvestre powder extract	Gymnema sylvestre	Gymnemic acid 25%
	Hawthorn dry extract	fruit/flower	Hawthorn powder extract	Crataegus L.	Flavones 2.5-20%
	Green tea dry extract	leaf	Green tea powder extract	Camellia sinensis	Polyphenols 25-95%; EGCG 10-70%; L-theanine 98%
	Dry ginger extract	root	Ginger powder extract	Zingiber officinale R.	Gingerols 2.5%, 5%
	Echinacea purple dry extract	aboveground part/root	Echinacea purpurea powder extract	Echinacea purpurea L.	Polyphenols 4%
	Barley dry extract	leaf	Green barley grass powder extract	Hordeum vulgare L.	
	Artichoke dry extract	leaf	Artichoke powder extract	Cynara scolymus L.	Cynarin 2.5%, 5%
	Green coffee dry extract	fruit	Green coffee powder extract	Coffea arabica L.	Total chlorogenic acids 5-50%; Caffeine 2%
	Common wolfberry dry extract	fruit	Goji powder extract	Lycium barbarum L.	
	Fennel dry extract	seeds	Fennel powder extract	Foeniculum vulgare Mill.	

	Fenugreek dry extract	seeds	Fenugreek powder extract	Trigonella foenugraecum L.	
	Valerian dry extract	root	Valerian powder extract	Valeriana officinalis L.	
	Kudzu dry extract	root	Kudzu powder extract	Pueraria lobata	Isoflavones 20%, 40%
	Flax dry extract	seeds	Flax powder extract	Linum usitatissimum L.	Lignans 20%
	Small-leaved linden dry extract	flower	Linden powder extract	Tilia cordata miller	
	Tannin leaf flower dry extract	fruit	Amla powder extract	Emblica officinalis L.	Tannins 30%
	Maca powder	root	Maca powder	Lepidum meyenii	
	Lemon balm dry extract	leaf	Lemon balm powder extract	Melissa officinalis L.	Rosmarinic acid 2%, 2.5%; Polyphenols 8%
	Ginkgo biloba dry extract	leaf	Ginkgo biloba powder extract	Ginkgo biloba L.	Flavone glycosides/Terpene lactones 18/4, 24/6
	Dandelion dry extract	root/herb	Dandelion powder extract	Taraxacum officinale	Inulin 20%
	Bladderwrack dry extract	herb	Fucus vesiculosus powder extract	Fucus vesiculosus L.	Iodide 0.1%, 0.2%
	White mulberry dry extract	leaf	Mulberry powder extract	Morus alba L.	
	Flesh passion fruit dry extract	flower	Passiflora powder extract	Passiflora incarnata L.	
	European olive dry extract	leaf	Olive powder extract	Olea europea L.	Oleuropein 5-22%
	Milk thistle dry extract	seeds	Milk thistle powder extract	Silybum Marianum L.	Silymarin 80%
	Thistle long dry extract	root	Turmeric powder extract	Curcuma longa L.	Curcuminoids 5-95%
	Perilla dry extract	leaf	Perilla powder extract	Perilla frutescens L.	Flavones 2.5%
	Saw palmetto	fruit	Saw palmetto powder extract	Serenoa repens	Total fatty acid 25%, 45%, 90%
	African geranium dry extract	root	Pelargonium powder extract	Pelargonium sidoides DC.	

	Japanese pearlwort dry extract	buds	Sophora japonica powder extract	Sophora japonica L.	Rutin NF11; Quercetin 95%
	Indian nettle dry extract	root	Coleus forskohlii powder extract	Coleus forskohlii	Forskolin 20%
	Common nettle dry extract	root/leaf	Nettle powder extract	Urtica dioica L.	Silica 1%
	Bitter orange dry extract	fruit	Bitter orange powder extract	Citrus aurantium L.	Diosmin 90%; Hesperidin 90-98%; Vitamin C 40%; Synephrine 0.25-6%
	Tomato dry extract	fruit	Tomato powder extract	Lycopersicon esculentum Mill.	Lycopene 5%, 6%, 10%
	Knotweed dry extract	whole plant	Polygonum aviculare powder extract	Polygonum aviculare L.	Flavonoids 2%
	Knotweed dry extract	rhizome	Giant knotweed powder extract	Polygonum cuspidatum	Resveratrol 50%, 98%
	Sea buckthorn dry extract	fruit	Sea buckthorn powder extract	Hippophae rhamnoides L.	Flavones 5%; Vitamin C 10%
	Rosemary dry extract	herb	Rosemary powder extract	Rosmarinus officinalis L.	Rosmarinic acid 2%
	Common chamomile dry extract	flower	Chamomile powder extract	Matricaria chamomilla L.	
	Butcher's broom dry extract	root	Ruscus powder extract	Ruscus aculeatus L.	Ruscogenins 10%
	Wild rose dry extract	fruit	Rosehip powder extract	Rosa canina L.	Vitamin C 5-70%
	Rhodiola rosea dry extract	rhizome	Rhodiola powder extract	Rhodiola rosea L.	Rosavins 1-3%; Salidroside 1%
	Senna dry extract	leaf	Senna powder extract	Cassia angustifolia	Sennoside B 20%
	Horsetail dry extract	herb	Horsetail powder extract	Equisetum arvense L.	Silica 7%
	Soybean dry extract	seeds	Soybean powder extract	Glycine Willd.	Isoflavones 10-40%; Phytosterols 95%
	Spirulina powder	whole plant	Spirulina powder	Arthrospira platensis	

	Cultivated saffron dry extract	mark	Saffron powder extract	Crocus sativus L.	Safranal 0.3%
	Sage dry extract	herb	Sage powder extract	Salvia officinalis L.	
	Thyme dry extract	herb	Thyme powder extract	Thymus vulgaris L.	Essential oils 2%
	Vines dry extract	seeds/peel	Grape powder extract	Vitis vinifera L.	Polyphenols 10-60%; Proanthocyanidins 95%; Resveratrol 0.5-5%
	Centella asiatica dry extract	leaf	Gotu kola powder extract	Centella asiatica L.	Asiaticoside 10-30%; Triterpens 10-30%
	Siberian ginseng	root	Siberian ginseng powder extract	Eleutherococcus senticosus	Eleutherosides 0.8%
	Ginseng dry extract	root	Ginseng powder extract	Panax ginseng	Ginsenosides 1-30%
	Cranberry dry extract	fruit	Cranberry powder extract	Vaccinium macrocarpon	Proanthocyanidins 10-50%
