

Pluvia
Consumer Health

API

A GLOBAL PHARMACEUTICAL COMPANY

Pluvia Pharmaceutical Investment, founded in 2022 as the umbrella organization of Pluvia Pharma, Pluvia Consumer Health and Pluvia Apisyntech, which brings together a wealth of experience and expertise to build a strong foundation in healthcare, is a global pharmaceutical company dedicated to improving the health of people around the world.

Pluvia Consumer Health

Pluvia Consumer Health Co. is a multinational pharmaceutical company with its headquarter located in Istanbul, Turkey with unique molecules & Know-How. Our portfolio contains several specific APIs & Finished Dosage form medications in the field of various therapeutic categories (NSAIDs, metabolic syndrome, hematology, GLS, central nervous system, urogenital, antineoplastic, antiviral) as well as Opioid medications & Nutraceutical Supplements.

Since Manufacturing/Procurement of our products are being done by ourselves and based on our own specific Know-How from A to Z, therefore, we are able to support you in documentation, formulation & scientific matters, in addition to supplying you with unique quality products at unrivaled prices (including different types of APIs & Finished dosage Forms).

Why Choosing Pluvia Consumer Health

Enhancement of your portfolio with a unique and wide range product categories along with providing you with relevant CTDs.

- Supplying you with a high quality Active Ingredients
- Granting you an Under License manufacturing right by a EUROPEAN company
- Flexible Payment Terms
- Connecting to a Flexible & Agile R&D for development
- Our R&D infrastructure supports advanced research and innovation, and our team is dedicated to the development of new drug applications and innovations through knowledge-based researches.

PARTNERSHIP

Partnership Models with Pluvia Consumer Health

1- Joint Venture

This model is one of the most powerful tools for being successful in today's competitive business atmosphere. Even the joint venture can create a separate business entity, to which the owners contribute assets, have equity, and agree on how this entity may be managed. The new entity may be a corporation, limited liability company, or partnership. Main advantages of this model is capturing an eye-catching market share along with income through leveraging the market by using abilities & relationships of the host company from the first entrance stage with the lowest risk & cost.

2- Strategic Alliance

Setting up a formal relationship & cooperation between two parties to meet a critical business need & make a synergy with maintaining both parties' independency. Each partner hopes that the benefits from the alliance will be greater than those from individual efforts. Main characteristics:

- High level of transparency between partners
- Common long-term strategy and goals
- Pooling/sharing ideas
- Increased business opportunities and reach

3- Franchise & licensing

1- License-In

Under license manufacturing of specific drugs' dossiers with the aim of own portfolio enhancement.

2- License-Out

We are working to expand our global strategic marketing partnerships for products developed-in house. In this regard, we are ready to grant our Know-How, Experts & Expertise.

4- Distribution Agreement

Mutual Co-operation in regard with Sales & Distribution of parties' products in order to market expansion.

We are ready to make a distribution contract with well-known international companies with an interesting & valuable portfolio. Vice-versa, we are looking for a strong international distributor or wholesaler who is authorized for working on our products.

5- Contract Manufacturing

When you choose us for Contract Manufacturing, you get so much more than a typical CMO engagement. Through the partnership, you gain integrated access to scientific expertise, High quality & unrivaled rates.
