

# Health environment

*is constantly and rapidly evolving*

In addition to demand for treatment efficacy improvement, all stakeholders must ensure the continuum of care by focusing on :

- ★ *Drug Quality*
- 📷 *Safety*
- ♥ *Patient's compliance*

A stylized illustration of a hand in shades of blue and cyan, pointing towards a glowing path that leads to three circular icons: a star, a camera, and a heart. The path is set against a background of a globe with a grid pattern.

## SEPPIC

### Human Health

*Commitment and Mission*

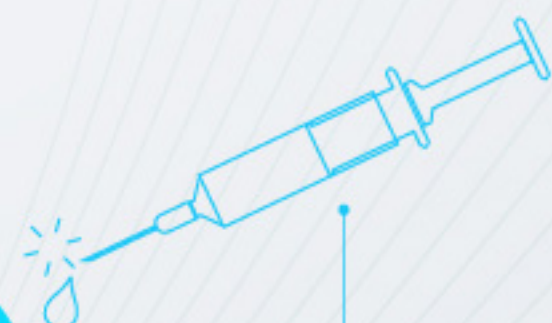

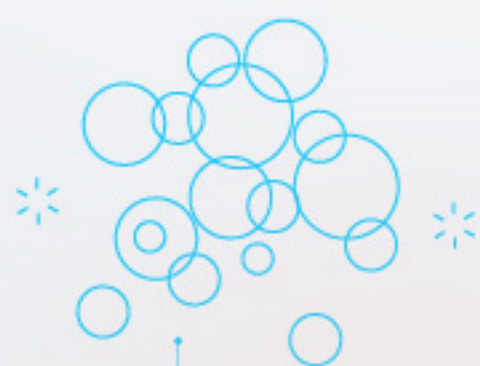

A circular icon containing a white checkmark, positioned next to a green leaf with a water droplet.

*Excipients are our business.  
Health is our commitment*

**Guide** our customers in their developments providing them with **know-how & technical innovative solutions**
