

SUPRIYA  
LIFESCIENCE LTD.

# Redefining Sustainable Healthcare

Established in the year 1987, Supriya Lifescience Ltd. is a global leading manufacturer of Active pharmaceutical Ingredients. Our state-of-the-art facility is certified by US FDA, EDQM, EU GMP, CFDA & Health Canada . Facility is located in MIDC,Lote, District Ratnagiri and headquartered in Mumbai, India.

The company was founded by Dr. Satish Wagh, a first generation entrepreneur and technocrat. Armed with technical knowledge, business acumen and an extensive experience of more than 35 years in the pharmaceutical industry, he has been instrumental for what Supriya Lifescience Ltd. is today.

Supriya Lifescience takes pride in setting the products, processes and the systems as per the industry standards and in making continuous improvement to deliver quality products. Our facility is spread across an area of over 47,000 sq m. with delineated areas for warehouse, QA, QC, R & D, production and finished products (dedicated blocks for different therapeutic segments). The plant has current capacity of 550 KL and supported with multiple clean rooms for finished products. As a part of our growth plan, we will be adding approximately 600 KL by 2024.

We are committed to deliver quality products for which our quality unit has well defined system in place to comply with the current GMP and guidelines led down by international

## Supriya Lifescience Ltd. is a leader in therapeutic segments like - Anti-Histamines, Anti-Allergics, Anti-Asthmatics, Anesthetics & Vitamins

regulatory authorities.

Our Quality Control laboratory is well equipped with modern & sophisticated instruments. Including Microbiology laboratory to ensure that all products are tested & released as per pharmaceutical standards. To enhance our capabilities we are adding new QC and R&D lab of 800 sq. m. each will be commissioned in Q1 of the financial year 2023.

Our process research and development activities are aimed for continuous process improvement , lifecycle management of the products and the activities are supported by highly qualified and motivated team of scientists. Our R & D is approved by DSIR. Our focus is to improve the productivity , cost-effectiveness and economy of scale to ensure that Supriya Lifescience Ltd remains ahead in business.

### Anti-Histamine

---

#### Chlorpheniramine Maleate [113-92-8]

|                   |                        |
|-------------------|------------------------|
| US DMF No.        | 22210                  |
| CDMF No.          | Y20190009300           |
| SFDA IDL No.      | H20171053              |
| CEP No.           | R1-CEP 2008-154-Rev 01 |
| EDMF              | Available              |
| Health Canada No. | 2010-253               |
| Taiwan FDA No.    | DMF (20)0524           |
| KDMF              | Available              |

#### Brompheniramine Maleate [980-71-2]

|            |                        |
|------------|------------------------|
| US DMF No. | 23511                  |
| CEP No.    | RO-CEP 2015-097-Rev 00 |
| EDMF       | Available              |
| CDMF No.   | Y20190009061           |

#### Dexbrompheniramine Maleate [2391-03-9]

|      |           |
|------|-----------|
| EDMF | Available |
|------|-----------|

#### Pheniramine Maleate [132-20-7]

|            |                        |
|------------|------------------------|
| US DMF No. | 23512                  |

| EDMF       | Available              |
| CDMF No.   | Y20190000541           |

#### Dexchlorpheniramine Maleate [2438-32-6]

|            |           |
|------------|-----------|
| US DMF No. | 35885     |
| EDMF       | Available |

#### Mepyramine Maleate / Pyrilamine Maleate [59-33-6]

|            |                        |
|------------|------------------------|
| US DMF No. | 29099                  |
| CEP No.    | RO-CEP 2015-122-Rev 00 |
| EDMF       | Available              |

### Anti-Allergic

---

#### Cetirizine Di Hydrochloride [83881-52-1]

|      |           |
|------|-----------|
| EDMF | Available |
| KDMF | Available |

#### Diphenhydramine Hydrochloride [174-24-0]

|                     |              |
|---------------------|--------------|
| US DMF No.          | 35174        |
| CEP Application No. | CEP 2019-120 |
| EDMF                | Available    |

### Anti-Asthmatic

---

#### Salbutamol Sulphate [51022-70-9]

|                     |                        |
|---------------------|------------------------|
| US DMF No.          | 030708                 |
| CEP Application No. | RO-CEP-2019-037-Rev 00 |
| EDMF                | Available              |

#### Levosalbutamol Sulphate [51022-70-9]

|      |           |
|------|-----------|
| EDMF | Available |
|------|-----------|

## Product Details

#### (S) Ketamine Hydrochloride/Esketamine Hydrochloride [33643-47-9]

|            |                        |
|------------|------------------------|
| US DMF No. | 36426                  |
| CEP No.    | RO-CEP 2018-198-Rev 00 |
| EDMF       | Available              |

#### Tramadol Hydrochloride [36282-47-0]

|            |           |
|------------|-----------|
| US DMF No. | Available |
| EDMF       | Available |
| KDMF       | Available |

### Xanthine Derivatives & Beverages

---

#### Pentoxifylline [6493-05-6]

|            |                       |
|------------|-----------------------|
| US DMF No. | Available             |
| CEP No.    | RO CEP 2018-294-Rev00 |
| EDMF       | Available             |

## Product Details

### Vitamin

#### Riboflavin 5 - Phosphate Sodium / Vitamin B2 5 Phosphate Sodium

|                     |                |
|---------------------|----------------|
| US DMF No.          | 27005          |
| EDMF                | Available      |
| KOSHER Certificate  | Available      |
| HALAL Certificate   | Available      |
| INDONESIA HALAL     | Available      |
| FAMI-QS Certificate | Available      |
| CEP Application No. | CEP 2019 - 070 |

#### Hydroxocobalamin

|     |           |
|-----|-----------|
| DMF | Available |
|-----|-----------|

#### Hydroxocobalamin Hydrochloride

|                   |           |
|-------------------|-----------|
| Technical Package | Available |
|-------------------|-----------|

#### Methylcobalamin

|                     |           |
|---------------------|-----------|
| US DMF No.          | 35670     |
| KOSHER Certificate  | Available |
| HALAL Certificate   | Available |
| INDONESIA HALAL     | Available |
| FAMI-QS Certificate | Available |
| KDMF                | Available |

#### Hydroxocobalamin Acetate

|      |           |
|------|-----------|
| EDMF | Available |
|------|-----------|

#### Hydroxocobalamin Sulphate

|                   |           |
|-------------------|-----------|
| Technical Package | Available |
|-------------------|-----------|

### Anti-Malarial

#### Artemether

|                   |           |
|-------------------|-----------|
| Technical Package | Available |
|-------------------|-----------|

#### Lumefantrine

|                   |           |
|-------------------|-----------|
| Technical Package | Available |
|-------------------|-----------|

#### Quinine sulphate

|                   |           |
|-------------------|-----------|
| Technical Package | Available |
|-------------------|-----------|

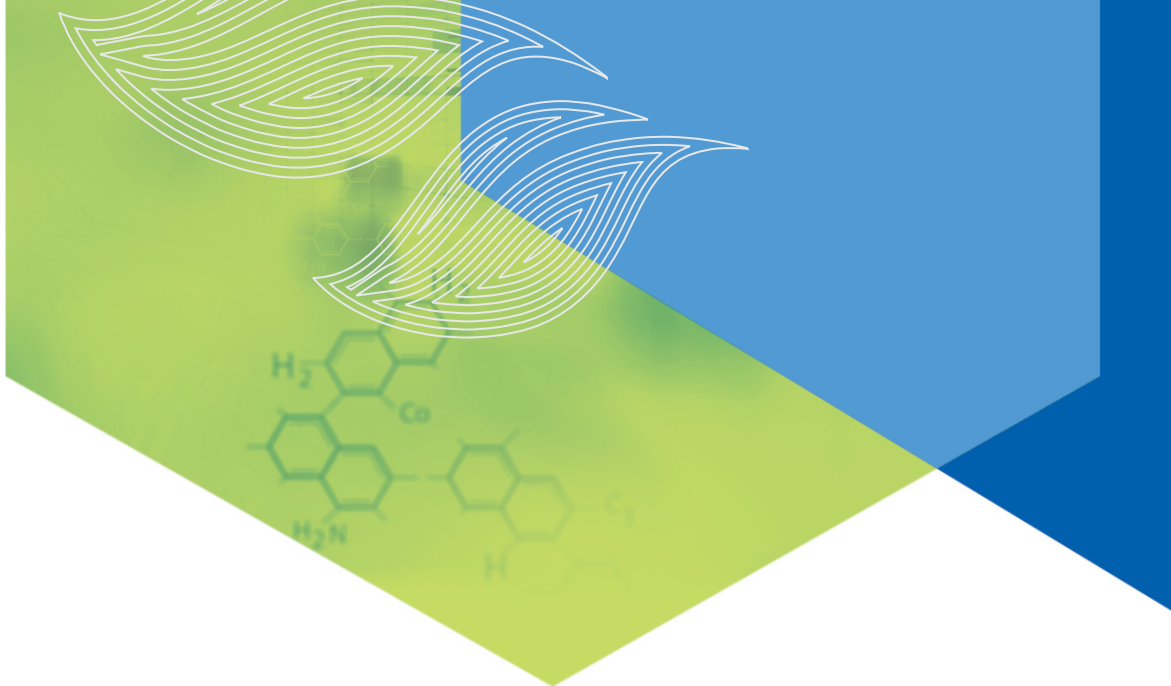

### Anti-Gout

#### Allopurinol

|     |           |
|-----|-----------|
| DMF | Available |
|-----|-----------|

### Products under development

| API             | Therapeutic Segment | CAS No.    |
|-----------------|---------------------|------------|
| Alprazolam      | Anti-anxiety        | 28981-97-7 |
| Midazolam       | Anti-anxiety        | 59467-70-8 |
| Phenobarbital   | Anti- epileptic     | 50-06-6    |
| Tranexamic acid | Anti- fibrinolytics | 1197-18-8  |
