OUR DIFFERENCES

- Research and Development
- Innovation
- Quality Control
- Capacity
- Full Equiped Pharmaceutical Manufacturing (Coating, capsule filling, liquid, cream, blistering, bottling)
- The most modern Soft Gel Manufacturing No:1 capacity in Turkey
- High Qualified Human Resource

ART OF SOFT GEL CAPSULE MANUFACTURING

Our high-capacity Soft Gel production line is ready to serve with the latest technology here in Turkey by Vefa Pharmaceuticals. Gelatine is prepared in closed system and internal product is manufactured untouched by Soft Gel Encapsulating machine.

QUALITY CONTROL / R&D LABORATORY

- Our factory's different sections are equipped with carefully selected technological machinery and equipment.
- Quality control, R & D and microbiology laboratories are under the control of specialized/high qualified people...
- Expertise combines with hygienic production and sustainable environment...
- We don't only care about the pharmaceuticals and nuraceuticals, we care about the human health as well.
- The work we do is sensitive...

WE EXCEL IN QUALITY.....
