

Yangzhou Gami Biochem Co., Ltd.

About Us:

Yangzhou Gami Biochem Co., Ltd. is one of the leading exporters of Chenodeoxycholic acid (CDCA), Ursodeoxycholic acid (UDCA) from China. We work closely with a selected group of factories in China. All the products we supply are manufactured and analyzed by a highly qualified and experienced team of chemists ensuring quality products to the valued clients all over the world. The dedicated people and new innovative manufacturing technologies of our contracted factories have enabled our company to supply the highest quality products to our customers worldwide.

We mainly engaged in sales of Chenodeoxycholic acid (CDCA), Ursodeoxycholic acid (UDCA), API, amino acids, plant extracts, food & feed additives, tall oil fatty acids and other chemical materials in domestic and overseas markets.

We believe that products quality can establish the brand, Honesty will bring the reputation and good services may create the value.

We commit to continuous improvement, quality control and process management. Complying with all applicable regulations, we guarantee to provide quality products and services for our clients.
